

NORTH TAHOE DISC GOLF COURSE

An Example of Community Partnering

The North Tahoe Disc Golf Course started as a local disc golfer's dream, that became reality through the cooperation of the North Tahoe Public Utility District, the Tahoe Truckee Community Foundation, local disc golfers, and the generous support of the community. After the North Tahoe PUD Recreation and Parks Commission supported the initial proposal, and the NTPUD Board allowed the use of land for the Course, local volunteers got into action. In order to raise funds, Recreation Commissioner Suzy Shoberg wrote a grant proposal to the Truckee Tahoe Community Foundation, which was pitched by Commissioner Kevin McDermott, and the Foundation provided a \$6,000 matching grant. A design-a-disc-golf-course fund raising event was held, where folks played a roughed-out staked course, and provided input. The

community came together and provided more than enough funds to obtain the matching grant. Regional disc golf course designer Craig Getty was contacted for his advice, and through his expertise and extensive hours of volunteer service, this course became the world-class course it is today. Brian Rienstra completed his Eagle Scout Project along with BSA Troop 266 by building trails and infrastructure. This dream would never have become a reality without the hundreds of hours of volunteer labor and the financial support of our sponsors. The North Tahoe Disc Golf Course is proof that the community and public entities can work together to make dreams a reality, without spending tax dollars. Please patronize our sponsors and thank them for their generosity. If you would like to be a sponsor, call the NTPUD at 530-546-4212.

North Tahoe Disc Golf is a fun and challenging course that provides a wide variety of shots, which complements nearly every style of play. The course was designed to start at Tee #1 at the top of the hill, however many locals like to start play from Tee #10. All of the volunteers who built the course, as well as the North Tahoe Public Utility District hope you have a great round, and come back to visit us for many more.
